I meet Scott Delfa while in the academy in 2016. As one of our instructors he willingly shared stories, experience, and words of advice he gained from working at the WCDOC with us. I still smile inside when I think about the "Christmas Decorations" he had on the back of his truck that year as we ran through the parking lot for physical training. Scott was a real trip. He also proudly represented our class in the Honor Guard and also as a Union leader. In the jail, He always took a moment to stop and talk with you and you could tell he really cared about everyone he meet. When he learned that I was a veteran, he would always ask me about my service and thank me no matter how many times I told him he didn't need to. Now I wish I could express how thankful I am for his service. Everyone in the Delfa clan should be proud. Scott wasn't just a great Officer, he was a amazing Man. Loyal, funny, and one of a kind. I thank you for sharing him with us and I give my deepest condolence. Sincerely, Daniel Walter
