First off, I would like to say that I am sorry for your loss, I can only imagine how tough this time is for you and your family. I would like to leave a scripture that brings comfort in moments such as these. (John 5:28,29) It gives us hope that our loved ones are not suffering and that we can possibly be reunited with them one day. I it brings comfort to you and your family like it has for so many others.
