Donny will be missed - my thoughts and prayers go out to Donny's family. A memory I have of Donny was when my twin brother Dean and I went to the 20th high school reunion. Donny saw Dean and gave him a huge bear hug with his big muscular arms and literally lifted him off the ground- Dean was lost in his arms - it was so funny- I never forgot that memory. It just goes to show how truly kind and sweet Donny was. He was just a really good person. I will miss his funny Facebook posts and his pictures of his wonderful family. Donny I will have a glass of Hennessy in your honor! May you Rest In Peace ? -Denise Guzman-Kandilakis ?

## Tom Caione

I am greatly saddened by the passing of Donnie. He was the cornerstone for a talented group of young men who turned around a floundering football program that led to decades of success. More importantly, his humility, respectful demeanor, outstanding personality, and work ethic were just a few of the assets that made him great. Donnie, I will never forget you. Rest peacefully my friend, and thanks for coming in to my life. Tom Caione Naples, Florida
